

# God's hands through you!

Tim and Micah use a borrowed drywall screw gun

During the Missionary Home Building Project over 100 people volunteered. They came from 24 different church congregations to help build a home we could use each time we are back in the USA. Other people gave gifts of materials or special gifts to help the project. One man paid for all the paint. How encouraging it was to see God provide! God did it through His people.

This drywall lift and other tools sure helped!

Some friends gave us tools to use. We didn't even know what some of the tools were but when the time came to use them, we were glad we had them ready. Having the right tool at the right time made the work go so much easier.

When doing Bible translation in Africa we need the right tools as well. When our co-workers in Africa were given a computer to do Bible translation they were so excited. Reuben wrote, "Your gift told us that you had confidence in us."

Borrowed tools and lives given to Jesus helped us to finish the concrete work.

We knew exactly what they meant because we receive the same encouragement from our partners who support this work.

Just like building a home, translating the Bible into a language that never had it before, requires lots of help. You've helped do this missionary work through your prayers and support. We want to thank you for encouraging us and helping us to get the Good News of Jesus to the ends of the earth.

## What did Jesus borrow?

Did you know that Jesus borrowed things He needed when he was on earth? Can you name some of them?

Hint: they all start with the letter "C".  
Turn over to read the answers:

*Cradle, Colt, Cross, Crypt*

What Jesus did with the things He borrowed still impacts our lives today.

Reuben was glad to receive this for the Bible translation

## Good News from Zambia

Sue's co-worker in Zambia began a House of Prayer.  
Recently she wrote us the following report:

*"Prayers are answered. Faithful intercessors and churches are praying daily and some individuals and church groups pray regularly. Sometimes people pray through the night or even stay for a weekend or longer, seeking the face of God.*

By Prayer

*Many marriages have been rescued, a church choir group leader has been delivered ... a person swollen with sickness was brought to the prayer room, stayed for some time and left healed. Many people recommit their lives to the Lord and pastors come to stay because they discover a real walk with the Lord".*

### Answers to Prayer

- 👉 We are moving into our home in January until we return to Zambia later this year.
- 👉 Over 100 people volunteered from 24 different congregations.
- 👉 Our children have done well in school while back in the USA.

### Praying in the New Year

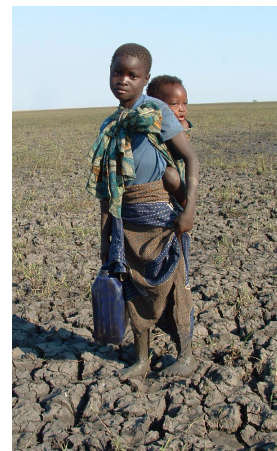

- ✚ That our hearts remain focused on God's love.
- ✚ For more volunteers to help finish what remains for the Missionary Home Building Project.
- ✚ For healing for Sue who has been feeling ill.
- ✚ For strength as we begin to do so many things in preparing to return to Africa. We are planning on leaving Ohio in June.

*The Power Team!*

And how can they hear if nobody tells them? And how is anyone going to tell them, unless someone is sent to do it?

Romans 10:14-15

*A young girl we met carries her baby brother and water back to the village.*
